Per telephone call from SA James Powers, 1:20 p.m., 2/26/70 the following changes should be made in the trial charts requested in Los Angeles letter 2/10/70:

1. Delete all notations referring to Tom and Tony Machi.
2. Delete all notations re Frank Balistieri.
3. Place on charts only notations referring to Raymond Mirr and Frank Leo Sansone.

Powers states that the reason for these deletions is that the Machi's and Balistieri are not mentioned in the indictment even though they have had contacts with Lococo and USA is concerned that the charts, if entered with names of Machi and Balistieri thereon may be subject to challenge.
